

JANI *AND* HENDRIK

PHOTOGRAPHED BY EDWARD ROSS

FAITH, FAMILY AND FRIENDS

Jani and Hendrik were married on May 31, 2008 in Banff, Alberta. The couple worked with *Lisa Hanslip*, THE WEDDING PLANNER to orchestrate a magical wedding of their dreams at the **BANFF SPRINGS HOTEL**. Jani wore a custom *Nina Leal* gown and a stunning custom necklace and earrings from jewellery designer *Maria Elena*. The one-of-a-kind items were designed specifically for Jani to compliment her gown. For the ceremony (which took place at the *Banff Full Gospel Assembly*), the couple had two large silk pink banners displayed. The first incorporated "Faith," "Family," and "Friends" and "HP and Jani" was printed on the other. Gardenia trees lined the aisle, covered in white netting and tied with large silk ribbon. The trees were later given to the bridal party in honour of their friendship. Their planner Lisa designed all of the custom stationery used throughout the day. Their four-tier pink and white fondant cake by **CAKE CREATIONS** was decorated with peonies and orchids. The evening ended with a magical exit. "We had an awesome goodbye at the end of the night. All the guests lined up outside and we got to leave through a tunnel of sparklers!" The couple honeymooned at **THE ROYAL HIDEAWAY** in the Mayan Riviera. ~
